

**Model No. S1030/1031**

## SPECIFICATIONS:

**Installation:** Recessed

**Housing:** Lamp body is made of aluminum alloy in white powder coat finish

**Fixing Bracket:** Galvanized steel

**Reflector and Diffuser:** Aluminum heat sink and ultra tempered clear glass with anti-glare optical reflector

**Driver Multipower:** Included. Power factor: >0.95  
Maintenance of minimum luminous flux to 80%: 50000

SDCM / L80B10: <3, 50,000 hrs

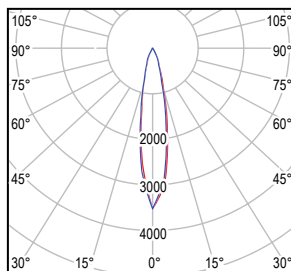

**LED type**

**Electrical:** Meanwell, HEP, Fulham, Tridonic standard driver or optional with dimmable driver

**Mounting:** Recessed Fixed

**Optical flicker:** Less than 1% upto 400Hz

Beam angle
